

Coresystems is a privately held field service software company helping mid- and large enterprises manage field services. Our solution brings together the right data at the right moment to delight customers and drive business results - all delivered in the cloud to any mobile device with artificial intelligence in real-time. We're transforming field service with cutting edge technology to help companies create perfect service moments and delight customers.

Our young and innovative company is looking for a

WPF Developer

THE ROLE

We are looking for a talented WPF Developer to join the team in our Berlin office. The ideal candidate should bring a positive, independent, can-do attitude coupled with a proven track record as well as a drive to develop innovative solutions.

In this role you will be responsible for the development and the maintenance of our .NET based products, with main focus on our exciting global Field Service App. You bring your knowledge and new ideas to our development process and help us extending product functionalities and improve overall product quality. You will constantly face new challenges and every day there will be something to discover and to share with your team.

We are looking forward to your personal "core moments"!

CURIOUS IF YOU'RE FIT?

- Comfortable working in a fast pace, lean development environment
- Strong Experience with .NET, C#, WPF (UWP is a plus)
- Experience working in ASP.NET, MVC, WCF, SQL Server
- Deep understanding of OOP, SOLID principles and Design Patterns
- Experience with TDD
- Motivated Person with strong communication skills
- Somebody who likes to work independently and as part of a team
- Proficient in English

Nice to have:

- Azure
- .NET core
- CI/CD experience
- Interop (C++\CLI or .NET Interop)
- Experience with Xamarin, React native or native mobile development

JOIN US, BECAUSE

- We are an enthusiastic, cool company and we like to have fun – during working hours and outside them
- We really engage ourselves in developing our products and take pride in delivering results

- Stretching yourself to achieve challenging goals is satisfying to us
- In our open culture, we welcome other opinions and enjoy discussing solutions
- The flexible and dynamic working environment gives us a lot of freedom and enables us to perform at a high level
- Our skills and know-how are up-to-date thanks to the yearly training courses we attend. We also offer the opportunity to travel to our other locations for know-how sharing
- We support mobile communication and mobility costs – unpaid leave is an extra cool benefit

Have we piqued your interest?

We look forward to receiving your application via email: recruiting-fsm@coresystems.net
